To DRO Counsel:

Re: Additional DRO dates

I am pleased to advise the following DRO initiatives:

1. The court will be able to field two DROs a day, including Wednesdays during the month of March (only), starting March 4<sup>th</sup>.
2. Starting April 3, 2024, Wednesdays will now be added so that DRO conferences can be held every weekday.
3. During the trial sittings from May 21 to June 7, 2024, the court will open up to two DROs each day.

If you are available to hold a conference event (even if you are already scheduled for other days in March) please advise Ms. Hatch-Reevie at [Linda.Reevie@ontario.ca](mailto:Linda.Reevie@ontario.ca).

The goal is to reduce our timeouts.

This does not preclude an earlier rescheduling of a DRO event if the parties are agreed.

If there are any questions or other concerns, please direct them to me through Ms. Schoenwald.

Thank you,
